# Rawae Business LLC

COMPANY OVERVIEW

Rawae Business LLC is a construction and engineering company in the Kingdom of Saudi Arabia, serving government organizations, private companies, industrial clients, developers and commercial businesses.

## Services

- **Construction Services:** civil and structural works from mobilization through handover.
- **MEP (Mechanical, Electrical & Plumbing):** design-build, installation, testing and commissioning.
- **Building Material Supply:** sourcing and scheduled delivery to site.
- **Manpower Supply & Workforce Management:** skilled and general workforce, supervision and labor compliance.
- **Interior & Exterior Finishing Works:** fit-out and external finishes through snagging and handover.

## Health, safety and quality

Risk assessment, method statements, site inductions and inspections are built into how work is planned on all five service lines.
